

## **EFT Network Chosen To Present At The Minnesota Treasury Management Association's Annual Treasury Conference**

*Industry Leader of Comprehensive Payments Strategy to Treasury Professionals*

**Hawthorne, NY, April 7, 2009** – [EFT Network, Inc.](http://www.eftnetwork.com), a provider of innovative ACH and check processing solutions to financial institutions, corporations and businesses, announced today that its Vice President of Specialized Sales, Christin A. Fulton CTP, will present at the MTMA 27<sup>th</sup> Annual Treasury Conference on Tuesday, April 21, 2009 at 8:30 a.m. CST. In addition, EFT Network will be showcasing FAXTellerPLUS<sup>SM</sup>, the first of its kind technology that uses a standard fax machine to deposit checks, at **booth #107**. EFT Network's presence at MTMA will allow treasury professionals to examine its comprehensive payments strategy to accelerate payments, streamline receivables process and reduce costs.

"The opportunity to be a presenter and exhibitor at the MTMA conference is a significant opportunity for EFT Network," Christin Fulton, Vice President of Specialized Sales, added. "We are confident to extend our payments strategy and amplify EFT Network as an industry leader of electronic payments to the treasury community and help them realize the efficiencies and benefits of our technology."

Fulton's presentation "Recession of 2009: Time to review your check collection practices!" focuses on the fast, efficient and least costly practices of collecting check payments. This session will review the methods available such as ACH, Check 21 image, Remote Deposit Capture, lockbox, B2B and other check collection systems. Methods will be defined and described; an easy cost/benefit analysis will be presented. The presentation can be accessed on the EFT Network's web site at [www.eftnetwork.com](http://www.eftnetwork.com) on Wednesday, April 29, 2009.
